

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF TELNET COMMUNICATIONS,	)	
INC. FOR A CERTIFICATE OF PUBLIC	)	
CONVENIENCE AND NECESSITY TO PROVIDE	)	CASE NO. 92-181
COMPETITIVE INTRASTATE TELECOMMUNICATIONS	)	
SERVICE	)	

O R D E R

On April 24, 1992, TELNET Communications, Inc. ("TELNET") filed its application with the Commission seeking a Certificate of Public Convenience and Necessity to provide intrastate, long-distance telecommunications services as a reseller within the Commonwealth of Kentucky.

TELNET is an Oregon corporation proposing to resell the tariffed services of US Sprint Communications Company and AT&T Communications of the South Central States, Inc. primarily to small and medium-sized businesses within the Commonwealth of Kentucky in accordance with the terms and conditions set forth in its tariff. TELNET is not seeking authority to provide any operator-assisted telecommunications services.

TELNET employs no transmission or reception telecommunications equipment or facilities in the performance of its services and all operating facilities, equipment and networking will be provided by the underlying carrier. Order processing and customer billing shall be provided by TELNET.

The application provided by TELNET demonstrates its financial, managerial, and technical capability. The rates proposed should be approved as the fair, just, and reasonable rates to be charged.

On June 29, 1992, TELNET filed revised tariff sheets in response to the Commission's Order of June 3, 1992. Section 1.2.2, Original Sheet No. 8, is in conflict with Section 1.10, Original Sheet No. 14, with regard to the notice required for termination of service by the company. In addition, reference is made to "policies of the jurisdiction of the Originating Station or the Terminating Station." Section 1.2.2 should be revised to delete the above-mentioned language and to conform to the conditions for discontinuance of service as set forth in Section 1.10.

The Commission, having considered the application, the information provided by TELNET, and being otherwise sufficiently advised, HEREBY ORDERS that:

1. TELNET be and it hereby is granted authority to provide intrastate, long-distance telecommunications services within the Commonwealth of Kentucky on and after the date of this Order.

2. TELNET shall comply with the provisions of the Orders in Administrative Case No. 323.<sup>1</sup>

---

<sup>1</sup> Administrative Case No. 323, An Inquiry Into IntraLATA Toll Competition, An Appropriate Compensation Scheme for Completion of IntraLATA Calls by Interexchange Carriers, and WATS Jurisdictionality, Phase I, Order dated May 6, 1991.

3. TELNET's authority to provide service in this Commonwealth is strictly limited to those services described in this Order and TELNET's application.

4. The rates proposed by TELNET are hereby approved.

5. Within 30 days from the date of this Order, TELNET shall file its tariff sheets in accordance with 807 KAR 5:011 to conform to the restrictions and conditions of service as proposed by TELNET on April 4, 1992 and June 29, 1992 and as modified herein.

Done at Frankfort, Kentucky, this 24th day of July, 1992.

PUBLIC SERVICE COMMISSION
