

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF TEL-SAVE, INC. )	
FOR A CERTIFICATE TO RESELL )	CASE NO. 92-190
TELECOMMUNICATIONS SERVICE )	

O R D E R

On April 29, 1992, Tel-Save, Inc. ("Tel-Save") filed an application seeking a Certificate of Public Convenience and Necessity to operate as a reseller of long-distance telecommunications services within the Commonwealth of Kentucky. Tel-Save does not request authority to provide operator-assisted services.

Tel-Save was ordered to file additional information on June 12, 1992. Tel-Save filed its response on September 3, 1992. Tel-Save is a corporation organized under the laws of the State of Pennsylvania. Tel-Save intends to resell long-distance telecommunications services of certificated interexchange carriers.

In response to the Commission's request for additional information, Tel-Save filed a revised tariff on September 3, 1992. The Commission finds that Tel-Save has revised its tariff to comply with the restrictions, guidelines and conditions of service established for the provision of intrastate resold long-distance telecommunications services and the tariffed rates should be approved as the fair, just, and reasonable rates to be charged by Tel-Save.

Tel-Save has the financial, technical, and managerial capabilities to provide resold intrastate long-distance telecommunications services, as demonstrated by this application and the provision of such services in other jurisdictions. The Commission finds that Tel-Save should be authorized to provide intrastate resold long-distance telecommunications services within the Commonwealth of Kentucky.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, HEREBY ORDERS that:

1. Tel-Save be and it hereby is granted authority to provide intrastate resold long-distance telecommunications services.

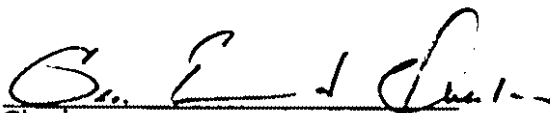

2. This authority to provide service is strictly limited to those services described in this Order and Tel-Save's application, and in accordance with the restrictions, guidelines, and conditions of service established by this Commission.

3. The rates proposed by Tel-Save on September 3, 1992 are hereby approved.

4. Within 30 days from the date of this Order, Tel-Save shall file its September 3, 1992 tariff pursuant to 807 KAR 5:011.

Done at Frankfort, Kentucky, this 9th day of October, 1992.
