O R D E R

On May 13, 1992, the Commission received an application from Campbell County Kentucky Water District ("Campbell Water") requesting approval to acquire the city of Highland Heights' water distribution system and for approval of its proposed financing plan to complete the acquisition. In its filing, Campbell Water requested a deviation from the requirements of 807 KAR 5:001, Section 6(9), stating that its 1991 Annual Report satisfies the 90-day requirement of that regulation.

807 KAR 5:001, Section 6(9), requires the submission of a detailed income statement and balance sheet for the period ending not more than 90 days prior to the date of the application. Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the information filed therein is sufficient to enable the Commission to adequately review Campbell Water's filing. Therefore, its request for a deviation from the above-cited regulation should be granted.

IT IS THEREFORE ORDERED that Campbell Water's request for a deviation from the requirements of 807 KAR 5:001, Section 6(9), is hereby granted.

Done at Frankfort, Kentucky, this 8th day of June, 1992.
