NOS Communications is organized as a corporation in the state of Maryland and intends to resell tariffed services of facilities-based interexchange carriers certified by this Commission. NOS

¹ Case No. 92-352, NOS Communications, Inc., Alleged Violation of KRS 278.020 and KRS 278.160.

Communications does not own and/or operate any telecommunications transmission facilities within the Commonwealth of Kentucky.

NOS Communications filed its proposed tariff on May 21, 1992. The Commission finds that NOS Communications should be authorized to provide intrastate long-distance resold telecommunications services within the Commonwealth of Kentucky.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, HEREBY ORDERS that:

1. NOS Communications be and it hereby is granted authority to provide intrastate long-distance resold telecommunications services within the Commonwealth of Kentucky on and after the date of this Order.

2. NOS Communications' authority to provide service is strictly limited to those services described in this Order and NOS Communications' application.
