

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF THE SOUTH 641)	
WATER DISTRICT FOR CERTAIN)	CASE NO. 92-240
NON-RECURRING CHARGES)	

O R D E R

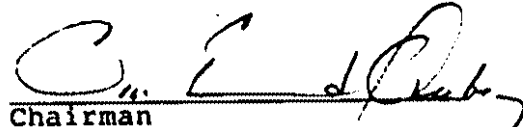

On July 14, 1992, South 641 Water District ("South 641") filed an application proposing to adjust its rates for certain non-recurring charges. On August 3, 1992, South 641 filed a letter, which the Commission will treat as a motion, requesting a deviation from 807 KAR 5:011, Section 8(3), regarding customer intervention in the public notice.

South 641 states in its motion that the customer intervention language was inadvertently omitted from the public notice and requests that it not be required to republish the notice due to the cost that would be incurred. After reviewing South 641's filing and being otherwise sufficiently advised, the Commission finds that due to the cost associated with republication of the notice South 641's request for a deviation from 807 KAR 5:011, Section 8(3), should be granted.

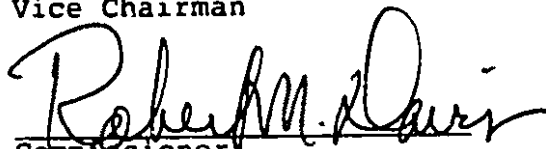

IT IS THEREFORE ORDERED that South 641's request for a deviation from the requirements of 807 KAR 5:011, Section 8(3), is hereby granted.

Done at Frankfort, Kentucky, this 20th day of August, 1992.
