AMENDED ORDER

On September 9, 1992, North Mercer Water District ("North Mercer") filed a motion to reopen this case because it inadvertently omitted to request approval of the increased rates in its original application. The Commission issued an Order on July 23, 1992, granting a Certificate of Public Convenience and Necessity for the proposed construction project and accepted North Mercer's proposed plan of financing with Farmers Home Administration ("FmHA"). Since North Mercer did not request the rate increase, it was not granted in the Commission's Order. However, since North Mercer's application was made pursuant to KRS 278.023, which requires the Commission to accept agreements between water districts and FmHA and to issue the necessary orders to implement the terms of such agreements, the final Order should be amended to include authorization of the increased rates.

IT IS THEREFORE ORDERED that:

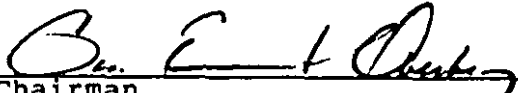

1. North Mercer's motion to reopen this case is hereby granted.

2. The rates set out in Appendix A, which is attached hereto and incorporated herein, are the rates approved for service rendered on or after the date of this Order.

3. North Mercer shall submit its revised tariff setting out the rates in Appendix A within 30 days of the date of this Order.

Done at Frankfort, Kentucky, this 21st day of September, 1992.
