O R D E R

The Commission has reviewed the application of U.S. 60 Water District of Shelby and Franklin Counties, Kentucky ("U.S. 60") which requests approval of a Certificate of Public Convenience and Necessity to construct a waterworks project, approval of a proposed plan of financing, and approval of an extension agreement. The financing proposal for the construction project includes a \$9.00 monthly construction contribution surcharge to be imposed upon new customers. This proposal is different from the normal extension policies set forth in 807 KAR 5:066, Section 11, thus requiring special approval of the Commission. The Commission hereby finds that a public hearing should be held to determine whether U.S. 60's extension plan and proposed monthly surcharge are in the public interest. The text of the required public notice to all affected persons is attached hereto as Appendix A.

IT IS THEREFORE ORDERED that:

1. A public hearing is scheduled for Tuesday, November 24, 1992, at 9:00 a.m., Eastern Standard Time, in Hearing Room 1 of the Commission's offices at 730 Schenkel Lane, Frankfort, Kentucky.

2. U.S. 60 shall immediately post a copy of said public notice (Appendix A) at its place of business.

3. U.S. 60 shall publish public notice once a week for three consecutive weeks in a prominent manner in a newspaper of general circulation in its service area and in the general circulation area of the proposed extension construction project, the first publication to be made within ten days of the date of this Order.

4. Prior to the date of the hearing, U.S. 60 shall file with the Commission verification that public notice has been made pursuant to this Order.

5. Pursuant to KRS 100.324, a copy of this Order is being sent to the Triple S Planning Commission, Lawrenceburg-Anderson County Ky. Joint Planning Commission, and Franklin County Planning & Zoning Commission for the purpose of notification that the above-scheduled hearing may affect locations or relocations of service facilities within the planning unit's jurisdiction.

Done at Frankfort, Kentucky, this 16th day of October, 1992.

APPENDIX A

APPENDIX TO AN ORDER OF THE KENTUCKY PUBLIC SERVICE COMMISSION IN CASE NO. 92-298 DATED October 16, 1992.

Legal Public Notice

Notice is hereby given that U.S. 60 Water District of Shelby and Franklin Counties, Kentucky ("U.S. 60") has filed an application with the Kentucky Public Service Commission ("Commission") requesting a Certificate of Public Convenience and Necessity to extend a water line along Kentucky Highways 395 and 44/53, Pea Ridge Road, Scott Pike, Benson Road, Pigeon Fork Road and Cat Ridge Road. U.S. 60 has requested Commission approval of a \$9.00 monthly construction contribution surcharge to be paid by customers residing along the proposed extension water service area for a period not to exceed twenty (20) years. The Commission may either modify or disallow the proposed surcharge. The Commission may require that the rates for all U.S. 60's customers be adjusted to pay for the proposed construction.

A public hearing will be held on Tuesday, November 24 at 9:00 a.m., Eastern Standard Time, in Hearing Room 1 of the Commission's offices at 730 Schenkel Lane, Frankfort, Kentucky 40602. All interested persons shall have the opportunity to present testimony or comment on the proposed construction and financing application.
