

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF TODD COUNTY WATER)	
DISTRICT FOR THE ADJUSTMENT OF A NON-)	CASE NO. 92-299
RECURRING CHARGE)	

O R D E R

On July 20, 1992, Todd County Water District ("Todd County") filed an application with the Commission proposing to increase its Service Reconnection Charge from \$15 to \$25. On July 24, 1992, the Commission rejected the filing pursuant to 807 KAR 5:001, Section 2 because the utility did not provide proper public notice. On August 18, 1992, Todd County refiled the application providing proper public notice. Affidavit of publication as required by the Commission was subsequently filed on September 16, 1992.

Todd County has provided evidence of the individual expenses incurred to provide the service associated with the proposed charge. After reviewing the evidence and being sufficiently advised, the Commission finds that the charge is equal to the expenses incurred to provide the associated service. It further finds that the proposed charge as set forth in the Appendix to this Order is fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The charge in the Appendix to this Order, which is attached hereto and incorporated herein, is approved for services rendered on and after the date of this Order.

2. Within 30 days of the date of this Order, Todd County shall file its revised tariff sheets setting out the charge approved herein.

Done at Frankfort, Kentucky, this 1st day of October, 1992.
