

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF AT&T COMMUNICATIONS	)	
OF THE SOUTH CENTRAL STATES, INC.	)	
TO REDUCE RATES FOR INTRASTATE	)	CASE NO. 92-325
SERVICES	)	

O R D E R

On August 3, 1992, the Commission received an application from AT&T Communications of the South Central States, Inc. ("AT&T") to reduce rates for certain of its General Services Tariff and Custom Network Services Tariff offerings. In its filing, AT&T requested a deviation from the requirements of 807 KAR 5:011, Section 8; 807 KAR 5:001, Section 10(1)(c); and 807 KAR 5:001, Section 6.

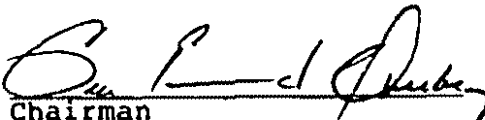

807 KAR 5:011, Section 8, requires a copy of the public notice be included in the application. AT&T seeks a deviation because all proposed rate changes are reductions. No rate will be increased; therefore, public notice is unnecessary. 807 KAR 5:001, Section 10(1)(c), requires a property schedule listing the applicant's cost and net original cost. 807 KAR 5:001, Section 6, requires that a financial exhibit covering operations for a 12 month period ending not more than 90 days prior to the date the application is filed to be attached to the application. Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the information filed therein is sufficient to enable the Commission to adequately review AT&T's filing.

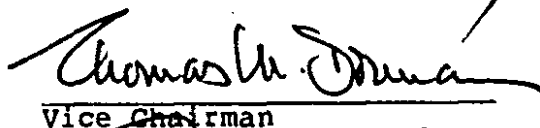

Therefore, its request for a deviation from the above-cited regulations should be granted.

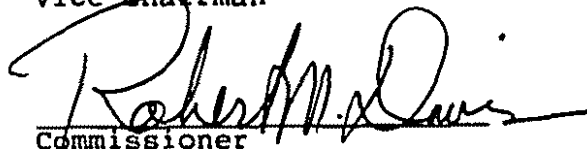

IT IS THEREFORE ORDERED that AT&T's request for a deviation from the requirements of 807 KAR 5:011, Section 8; 807 KAR 5:001, Section 10(c)(c); and 807 KAR 5:001, Section 6, is hereby granted.

Done at Frankfort, Kentucky, this 24th day of August, 1992.
