

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)
ADJUSTMENT FILING OF ELZIE) CASE NO. 90-076-I
NEELEY GAS COMPANY, INC.)

O R D E R

On December 7, 1990, the Commission issued its Order in Case No. 90-076 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates on a quarterly basis in accordance with the provisions of the gas cost adjustment ("GCA") clause set forth therein.

On March 30, 1993, Elzie Neeley Gas Company, Inc. ("Elzie Neeley") filed its quarterly GCA, which is to become effective May 1, 1993 and is to remain in effect until July 31, 1993.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Elzie Neeley's notice of March 30, 1993 set out certain revisions in rates which Elzie Neeley proposed to place into effect, said rates being designed to pass on to its customers the expected wholesale gas cost from its supplier. The Commission takes administrative notice that the rate schedule supplied to Elzie Neeley by its gas supplier, Columbia Gas of Kentucky ("Columbia") to be effective March 1, 1993, was not approved by this Commission. Elzie Neeley should use the wholesale rate

approved for Columbia in Case No. 90-063-G,¹ which was effective April 1, 1993. Elzie Neeley's correct expected gas cost ("EGC") adjustment for the quarter beginning May 1, 1993 is \$3.9233 per Mcf.

2. Elzie Neeley's notice included a current quarter actual adjustment ("AA") in the amount of 13.44 cents per Mcf to compensate for under-recoveries from its customers resulting from the operation of its GCA during the months of November and December 1992 and January 1993. Elzie Neeley's total AA in the amount of (1.95) cents per Mcf is calculated to compensate for the current under-recovery, as well as over and under-recoveries from previous quarters.

3. Elzie Neeley's notice does not include a refund adjustment.

4. The combined effect of the above adjustments is Elzie Neeley's gas cost recovery rate ("GCR") in the amount of \$3.9038 per Mcf, a decrease of 25.58 cents per Mcf from its last approved rates.

5. The rates set out in the Appendix to this Order, pursuant to the GCA provisions approved by the Commission in its Order in Case No. 90-076 dated December 7, 1990, are fair, just, and reasonable, in the public interest, and should be effective with gas supplied on and after May 1, 1993.

¹ Case No. 90-063-G, The Notice of Purchased Gas Adjustment Filing of Columbia Gas of Kentucky, Inc., Order dated April 1, 1993.

IT IS THEREFORE ORDERED that:

1. The rates proposed by Elsie Neeley be and they hereby are denied.

2. The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable, and are approved effective with gas supplied on and after May 1, 1993.

3. Within 30 days of the date of this Order, Elsie Neeley shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 29th day of April, 1993.
