

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF AT&T COMMUNICATIONS )  
OF THE SOUTH CENTRAL STATES, INC. )  
TO REDUCE RATES FOR INTRASTATE ) CASE NO. 92-556  
SERVICE )

O R D E R

On December 18, 1992, AT&T Communications of the South Central States, Inc. ("AT&T") filed a proposed tariff to adjust rates and charges for various service offerings, including, but not limited to, various message and wide area telecommunications service alternatives. The tariff filing results in a net revenue reduction. The Attorney General of the Commonwealth of Kentucky ("AG's") motion to intervene was granted by Commission Order of February 8, 1993.

The Commission issued an Order January 15, 1993 allowing the tariff filing to become effective as scheduled on January 18, 1993, subject to further Orders of the Commission.

No person has objected to the tariff filing and, after a complete examination, we find the tariff in the public interest. AT&T has met the pricing criteria established for its services in other cases. The Commission's Interim Order should be affirmed.

Having been otherwise sufficiently advised, the Commission  
HEREBY ORDERS that:

1. The Commission's interim Order allowing the tariff filing to become effective as scheduled on January 18, 1993 shall be considered final.

2. The tariff filed December 18, 1992 is hereby approved for services rendered on and after January 18, 1993.

Done at Frankfort, Kentucky, this 31st day of March, 1993.
