On June 24, 1993, the Commission issued an Order directing an authorized representative of Nicholas County to appear at a hearing scheduled for July 27, 1993 to show cause why Nicholas County should not be penalized for operating a utility without a Certificate of Public Convenience and Necessity and without filing a schedule of rates and services with the Commission.

IT IS THEREFORE ORDERED that the hearing in this case scheduled for July 27, 1993 is cancelled and this case be and hereby is dismissed.
