BEFORE THE PUBLIC SERVICE COMMISSION

FOR APPROVAL OF A CERTIFICATE OF)
CONVENIENCE AND NECESSITY TO CONSTRUCT)
PIPELINE FACILITIES, APPROVAL OF) CASE NO. 93-144
FINANCING AND APPROVAL OF SPECIAL)
CONTRACT)

O R D E R

On April 16, 1993, Kentucky-Ohio Gas Company ("KOG") filed its petition for a Certificate of Public Convenience and Necessity to construct certain pipeline facilities and sought approval of a plan of financing for the construction and a special contract. Included in KOG's petition was a request for a deviation under 807 KAR 5:001(14) from any requirement that may unduly delay the processing of this application. KOG was notified that its petition was deficient and on April 28, 1993 filed a response to the deficiency letter. In its response, KOG specifically requests a deviation from 807 KAR 5:001, Section 6. That section provides that all information should cover the period ending not more than 90 days prior to the date the application was filed. KOG's annual report referenced in its petition is for the period ending December 31, 1992 and thus is 16 days beyond the 90 day period required by the regulation.

After consideration of KOG's request for a deviation and being otherwise sufficiently advised, the Commission finds that good cause exists to grant said request.

IT IS THEREFORE ORDERED that a deviation is granted from 807 KAR 5:001, Section 6, to the extent that the information will be accepted as filed.

Done at Frankfort, Kentucky, this 12th day of May, 1993.
