

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT OF	)	
CAMPBELL COUNTY KENTUCKY WATER	)	CASE NO. 93-238
DISTRICT	)	

O R D E R

On July 9, 1993, Campbell County Kentucky Water District ("Campbell County") filed its application with the Public Service Commission ("Commission") for the purpose of adjusting its rates pursuant to the purchased water adjustment procedure. KRS 278.015 and 807 KAR 5:068.

The Commission, having reviewed the evidence of record and being otherwise sufficiently advised, finds that:

1. Campbell County purchases water from two suppliers, the city of Newport ("Newport") and Kenton County Water District ("Kenton County").

2. Newport increased its rate for water sold from \$0.60 per 1,000 gallons to \$0.65 per 1,000 gallons effective June 1, 1993. Campbell County was notified of the increase on July 7, 1993. The other supplier, Kenton County, will not increase its rate at this time. Campbell County proposes to increase the water rates to its customers effective June 1, 1993.

3. During the 12 months ending April 30, 1993, Campbell County purchased 2,074,388,700 gallons of water and sold 1,699,293,400 gallons. These figures are representative of both

suppliers. Campbell County purchased 1,469,085,300 gallons of water from Newport.

4. The increase in Campbell County's purchased water cost is \$73,454, resulting in a purchased water adjustment of \$.0432 per 1,000 gallons. Based on an average quarterly usage of 15,000 gallons, the average bill of Campbell County's customers would increase \$10.65 from \$49.23 to \$59.88, or 21.63 percent.

5. The purchased water adjustment of \$.0432 per 1,000 gallons and the rates in Appendix A, attached hereto and incorporated herein, are fair, just, and reasonable and should be approved.

6. Campbell County's proposed tariff is correct and should be approved as filed.

IT IS THEREFORE ORDERED that:

1. The purchased water adjustment of \$.0432 per 1,000 gallons and the rates in Appendix A are hereby approved for services rendered on and after June 1, 1993.

2. Campbell County's proposed tariffs are approved as filed.

3. Within 30 days of the date of this Order, Campbell County shall file a copy of the notice to its customers and verification that such notice has been given.

Done at Frankfort, Kentucky, this 9th day of August, 1993.
