CASE NO. 93-289

O R D E R

On August 16, 1993, Warren County Water District ("Warren") filed an application for a Certificate of Public Convenience and Necessity to construct a \$1,740,000 sewer improvement project, for approval of its plan of financing for this project, and for adjustments to its sewer service rates. This project will provide sewer service to 361 additional customers. Project funding includes a \$761,000 loan from the Farmers Home Administration ("FmHA"), a \$750,000 Community Development Block Grant from the U. S. Department of Housing and Urban Development ("HUD"), \$100,000 from the city of Smiths Grove, and \$129,000 from applicants for service in the proposed project area. The loan will be for a 40-year period at an interest rate of 5 percent per annum.

Warren's application was made pursuant to KRS 278.023, which requires the Commission to accept agreements between water districts and FmHA or HUD and to issue the necessary orders to implement the terms of such agreements within 30 days of satisfactory completion of the minimum filing requirements. Given that minimum filing requirements were met in this case on August 16, 1993, KRS 278.023 does not grant the Commission any discretionary authority to modify or reject any portion of this agreement.

IT IS THEREFORE ORDERED that:

1. Warren is hereby granted a Certificate of Public Convenience and Necessity for the proposed construction project.

2. Warren's proposed plan of financing with FmHA and HUD is accepted.

3. Warren shall file a copy of the "as-built" drawings and a certified statement that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of the substantial completion of the construction certificated herein.

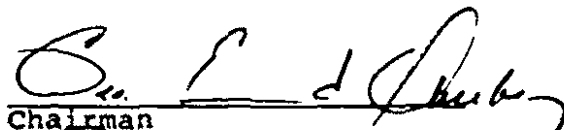

4. The rates set out in Appendix A, which is attached hereto and incorporated herein, are the rates approved for service rendered on and after the date of this Order.

5. Warren shall submit its revised tariff setting out the rates in Appendix A within 30 days of the date of this Order.

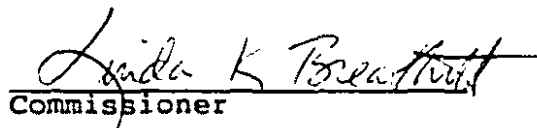

Nothing contained herein shall be deemed a warranty of the Commonwealth of Kentucky, or any agency thereof, of the financing herein accepted.

Done at Frankfort, Kentucky, this 9th day of September, 1993.
