

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF AUXIER WATER)
COMPANY TO INCREASE AND ESTABLISH) 93-366
CERTAIN NONRECURRING CHARGES)

O R D E R

On October 14, 1993, Auxier Water Company ("Auxier") filed an application with the Commission proposing to establish a 5/8 inch tap fee of \$450, a turn on charge of \$25, and a meter reset charge of \$25. Auxier also proposed to increase its reconnect charge and termination or field collection charge from \$10 each to \$25 each; its special meter reading charge from \$5 to \$25; its return check charge from \$5 to \$20; and its meter test charge from \$10 to \$25 plus actual test costs.

Auxier has provided adequate evidence of the individual expenses incurred to provide the services associated with the proposed charges. After reviewing the evidence of record and being otherwise sufficiently advised, the Commission finds that the proposed charges are equal to the expenses incurred to provide the associated services. It further finds that the proposed charges as set forth in the Appendix to this Order, attached hereto and incorporated herein, are fair, just and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The charges in the Appendix to this Order, attached hereto and incorporated herein, are approved for services rendered on and after the date of this Order.

2. Within 30 days of the date of this Order, Auxier shall file its revised tariff sheets setting forth the charges approved herein.

Done at Frankfort, Kentucky, this 1st day of November, 1993.
