

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF GARRARD COUNTY)	
WATER ASSOCIATION FOR INCREASE)	
AND ESTABLISHMENT OF CERTAIN)	CASE NO. 93-391
NON-RECURRING CHARGES)	

O R D E R

On October 21, 1993, Garrard County Water Association, ("Garrard County") filed an application with the Commission proposing to increase its 5/8 x 3/4 inch meter tap-on fee from \$325 to \$400; to increase its 1 inch tap-on fee from \$400 to \$500; and to charge its actual cost as its 1 1/2 inch and 2 inch tap-on fees. It further proposed to establish a requested meter test charge of \$32.50 and an after hours reconnection charge of \$45.

Garrard County requested deviation from 807 KAR 5:011, Section 10(3), since this filing for non-recurring charges is its third since its last general rate case 13 years ago.

Garrard County has provided adequate evidence of the individual expenses incurred to provide the services associated with the proposed charges. After reviewing the evidence of record and being otherwise sufficiently advised, the Commission finds that the proposed charges are equal to the expenses incurred to provide the associated services. It further finds that the proposed charges as set forth in the Appendix to this Order are fair, just and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. Garrard County's request for a deviation from 807 KAR 5:011, Section 10(3), be and it hereby is granted.

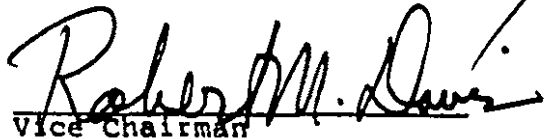

2. The charges in the Appendix to this Order are approved for services rendered on and after the date of this Order.

3. Within 30 days of the date of this Order, Garrard County shall file its revised tariff sheets setting forth the charges approved herein.

Done at Frankfort, Kentucky, this 16th day of December, 1993.
