Pursuant to Commission Regulation 807 KAR 5:056, the Commission on December 16, 1993 established this case to review and evaluate the operation of the fuel adjustment clause ("FAC") of Cumberland Valley Rural Electric Cooperative Corporation ("Cumberland Valley") for the 6 months ended October 31, 1993.

As part of this review, the Commission ordered Cumberland Valley to submit certain information concerning its compliance with Commission Regulation 807 KAR 5:056. Cumberland Valley has complied with this Order. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that Cumberland Valley has properly calculated and applied its FAC charge.

IT IS THEREFORE ORDERED that the charges and credits applied by Cumberland Valley through the FAC for the period May 1, 1993 through October 31, 1993 be and they hereby are approved.
