

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS     )  
ADJUSTMENT FILING OF WESTERN    )  
KENTUCKY GAS COMPANY             )     CASE NO. 92-558-E

O R D E R

On December 22, 1993, in Case No. 92-558, the Commission approved, on an experimental basis, a mechanism for the monthly adjustment of rates for Western Kentucky Gas Company ("Western") in accordance with the gas cost adjustment ("GCA") clause set forth in the Order.

On May 2, 1994, Western filed its monthly GCA to be effective from June 1, 1994 to July 1, 1994.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Western's notice proposed revised rates designed to pass on to its firm sales customers an expected wholesale increase in gas costs in the amount of 3.99 cents per Mcf. Western's proposed expected gas cost ("EGC") for firm sales customers is \$3.2332 per Mcf.

Western also proposed to pass on to its interruptible customers a wholesale increase in gas costs. Western's proposed EGC for interruptible sales customers is \$2.6463 per Mcf.

2. Western had no supplier refunds to report; therefore, its notice proposed no current refund adjustments for firm or interruptible sales customers. Total refund factors of 2.7 cents per Mcf for firm sales customers and 2.10 cents per Mcf for interruptible customers are from a previous month.

Western's notice likewise set out no current refund adjustments for firm or interruptible transportation customers. Total refund adjustments of .92 cent and .32 cent per Mcf, respectively, are from a previous month.

3. Western's notice set out the 6-month correction factor of (2.16) cents per Mcf which will remain in effect until October 1, 1994.

4. These adjustments produce gas cost adjustments of (\$.2498) per Mcf for firm sales customers and (\$.5734) per Mcf for interruptible sales customers.

5. The rate adjustments in the Appendix to this Order are fair, just, and reasonable, in the public interest, and should be effective for final meter readings on and after June 1, 1994.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix to this Order are fair, just, and reasonable and are approved effective for final meter readings on and after June 1, 1994.

2. Within 30 days of the date of this Order, Western shall file with the Commission its revised tariffs setting out the rates authorized in this Order.

Done at Frankfort, Kentucky, this 23rd day of May, 1994.
