O R D E R

On December 16, 1993, International Telemanagement Group, Inc. ("International Telemanagement") filed an application with the Commission seeking a Certificate of Public Convenience and Necessity to resell intrastate long-distance telecommunications services within the Commonwealth of Kentucky.

International Telemanagement is an Ohio corporation with its principal offices in the state of Ohio and intends to resell tariffed services of facilities-based carriers certified by this Commission. International Telemanagement has not requested authority to provide operator-assisted telecommunications services.

International Telemanagement does not own or operate, nor does it intend to construct, any telecommunications transmission facilities within the Commonwealth of Kentucky. All intrastate telecommunications transmission services will be provided by an underlying carrier certified by this Commission.

International Telemanagement filed its proposed tariff on December 16, 1993. The Commission finds that the rates proposed by International Telemanagement should be modified as follows:

Refer to Original Page 17, Section 2.1.2(A). Section 2.8.3 does not exist. Provide a revised tariff sheet that correctly references Section 2.7.3.

Pursuant to the Orders in Administrative Case No. 273,¹ International Telemanagement's request for waiver of KRS 278.220 is not required.

The application provided by International Telemanagement demonstrates its financial, managerial, and technical capability to provide utility service. The Commission finds that International Telemanagement should be authorized to resell intrastate long-distance telecommunications services within the Commonwealth of Kentucky. The Commission further finds that the rates proposed by International Telemanagement should be approved as the fair, just, and reasonable rates to be charged, with the modification contained herein.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, HEREBY ORDERS that:

1. International Telemanagement be and it hereby is granted authority to resell intrastate long-distance telecommunications

¹ Administrative Case No. 273, An Inquiry Into Inter- and IntraLATA Intrastate Competition in Toll and Related Services Markets in Kentucky, Orders Dated May 25, 1984, October 26, 1984, and May 2, 1985.

services within the Commonwealth of Kentucky on and after the date of this Order.

2. International Telemanagement's authority to provide service is strictly limited to those services described in this Order and International Telemanagement's application.

3. IntraLATA services shall be provided in accordance with the restrictions and conditions of service contained in Administrative Case No. 323.²

4. The rates proposed by International Telemanagement on December 16, 1993 are hereby approved, with the following modification:

Refer to Original Page 17, Section 2.1.2(A). Section 2.8.3 does not exist. Provide a revised tariff sheet that correctly references Section 2.7.3.

5. Within 30 days from the date of this Order, International Telemanagement shall file its December 16, 1993 tariff sheets, with only the revision discussed above, pursuant to 807 KAR 5:011 and to conform to the restrictions and conditions of service contained herein.

² Administrative Case No. 323, An Inquiry Into IntraLATA Toll Competition, An Appropriate Compensation Scheme for Completion of IntraLATA Calls by Interexchange Carriers, and WATS Jurisdictionality, Phase I, Order Dated May 6, 1991.

Done at Frankfort, Kentucky, this 22nd day of February, 1994.
