

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF WOOD CREEK WATER)
DISTRICT FOR A DEVIATION FROM 807 KAR) CASE NO. 94-063
5:066, SECTION 10(2)(A))

O R D E R

IT IS ORDERED that Wood Creek Water District ("Wood Creek") shall file the original and 10 copies (two copies of engineering-related materials) of the following information with the Commission with a copy to all parties of record within 21 days from the date of this Order. Wood Creek shall furnish with each response the name of the witness who will be available at the public hearing, if one is held, for responding to questions concerning each item of information requested.

1. For the locations listed below, provide a pressure recording chart showing the actual 24-hour continuously measured pressure available, and identify the 24-hour period recorded, the exact location and the sea level elevation of the pressure recorder:

a. Near the beginning of the existing 2-inch Cabin Creek Road water line.

b. Near the end of the existing 2-inch Cabin Creek Road water line.

c. At or near the connection point of the proposed water line extension for the Cabin Creek Subdivision.

2. Provide a highway map with a minimum scale of at least one inch equals two miles showing pipeline sizes, locations, and connections, locations of pumps and water storage tanks, and sea level elevations of key points of the system in the area of the existing Cabin Creek water line.

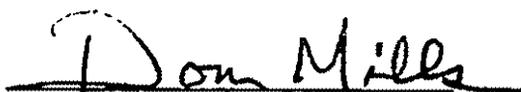

3. Provide the data and calculations which were utilized in constructing the hydraulic profile for the Cabin Creek Road.

Done at Frankfort, Kentucky, this 11th day of March, 1994.
