BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

FOR CERTIFICATE OF PUBLIC CONVENIENCE AND )  
NECESSITY, LONG TERM FINANCING BY KIA, ) CASE NO. 94-073  
A GENERAL RATE ADJUSTMENT AND REQUEST FOR )

O R D E R

The Kentucky Department of Parks ("Parks Department") filed a motion for full intervention and for the Commission to order Jonathan Creek Water District ("Jonathan Creek") to provide a cost-of-service study on March 14, 1994. The Commission will determine at a later date whether a cost-of-service study is necessary. It appears to the Commission that the Parks Department has a special interest which is not otherwise adequately represented, and that such intervention is likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings, and this Commission being otherwise sufficiently advised,

IT IS HEREBY ORDERED that:

1. The motion of the Parks Department to intervene is granted.
2. The Parks Department shall be entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.

3. Should the Parks Department file documents of any kind with the Commission in the course of these proceedings, it shall also serve a copy of said documents on all other parties of record.

4. The Parks Department's motion for the Commission to order Jonathan Creek to provide a cost-of-service study is denied.

Done at Frankfort, Kentucky, this 17th day of March, 1994.
