O R D E R

On March 14, 1994, Lexington-South Elkhorn Water District ("Lexington-South Elkhorn") filed an application for a Certificate of Public Convenience and Necessity. Lexington-South Elkhorn proposes to reallocate available funds to construct facilities which will enable it to obtain its water supply from the city of Nicholasville. Lexington-South Elkhorn currently contracts with another regulated utility, Kentucky-American Water Company ("Kentucky-American") to obtain its water. The Commission believes it would be beneficial to join Kentucky-American as a party to these proceedings.

IT IS THEREFORE ORDERED that:

1. Kentucky-American is hereby made a party to this case.
2. An informal conference between Commission Staff and both parties is scheduled for April 12, 1994, at 2:00 p.m., Eastern Daylight Time, in Hearing Room 2 of the Commission's offices at 730 Schenkel Lane, Frankfort, Kentucky for the purpose of discussing the application, including the potential impact on Kentucky-American if the application is granted.

Done at Frankfort, Kentucky, this 8th day of May, 1994.
