The Commission, having examined the formal complaint filed in the above-styled matter, finds that the complaint fails to establish a prima facie case. The complaint does not conform with Commission Regulation 807 KAR 5:001, Section 12, by failing to state that defendant is a utility under this Commission's jurisdiction, failing to state the defendant's post office address and failing to state with certainty the acts done or omitted to be done to the Complainant which form the basis for his complaint.

IT IS THEREFORE ORDERED that the Complainant shall have 20 days from the date of this Order to amend his complaint. If the complaint is not amended within such time, the complaint shall be dismissed without further Order of the Commission.
