O R D E R

South Shore Water Works Company ("South Shore") has moved to hold in abeyance its application for authority to transfer its assets and water utility operations to the city of South Shore. As any Commission action must await the outcome of the voters' referendum which is scheduled for November 1994, the Commission finds that the motion should be denied. It further finds the application should be dismissed without prejudice and with the understanding that South Shore may refile its application after the November 1994 General Election.

IT IS THEREFORE ORDERED that:

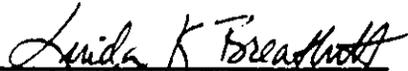

1. South Shore's motion to hold in abeyance is denied.
2. South Shore's application is dismissed without prejudice.
