

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION FOR A CERTIFICATE OF )  
CONVENIENCE AND NECESSITY OF IDB ) CASE NO. 94-186  
WORLDCOM SERVICES, INC. )

O R D E R

On May 11, 1994, IDB WorldCom Services, Inc. ("IDB WorldCom") filed an application with the Commission seeking a Certificate of Public Convenience and Necessity to resell intrastate long-distance telecommunications services within the Commonwealth of Kentucky. IDB WorldCom was ordered to file additional information on July 11, 1994. IDB WorldCom filed its response on August 5, 1994.

IDB WorldCom is a Delaware corporation with its principal offices in the state of California and intends to resell tariffed services of facilities-based carriers certified by this Commission. IDB WorldCom does not request authority to provide operator-assisted telecommunications services.

IDB WorldCom does not own or operate, nor does it intend to construct, any telecommunications transmission facilities within the Commonwealth of Kentucky. All intrastate telecommunications transmission services will be provided by an underlying carrier certified by this Commission.

IDB WorldCom filed its proposed tariff on May 11, 1994. In response to the Commission's request for additional information, IDB WorldCom filed revised tariff sheets on August 5, 1994.

The application provided by IDB WorldCom demonstrates its financial, managerial, and technical capability to provide utility service. The Commission finds that IDB WorldCom should be authorized to resell intrastate long-distance telecommunications services within the Commonwealth of Kentucky. The Commission further finds that the rates proposed by IDB WorldCom, as revised on August 5, 1994, should be approved as the fair, just, and reasonable rates to be charged.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, HEREBY ORDERS that:

1. IDB WorldCom be and it hereby is granted authority to resell intrastate long-distance telecommunications services within the Commonwealth of Kentucky on and after the date of this Order.

2. IDB WorldCom's authority to provide service is strictly limited to those services described in this Order and IDB WorldCom's application.

3. IntraLATA services shall be provided in accordance with the restrictions and conditions of service contained in Administrative Case No. 323.<sup>1</sup>

4. The rates proposed by IDB WorldCom on May 11, 1994, as revised on August 5, 1994, are hereby approved.

5. Within 30 days from the date of this Order IDB WorldCom shall file, pursuant to 807 KAR 5:011, its May 11, 1994 tariff
