

COMMONWEALTH OF KENTUCKY

BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF GOSHEN UTILITIES, INC.)
FOR APPROVAL TO INCREASE EXISTING, NON-)
RECURRING CHARGES, (SPECIAL CHARGES AND) CASE NO. 94-380
THE TAP-ON CHARGE FOR WATER SERVICE)

O R D E R

On October 10, 1994, Goshen Utilities, Inc. ("Goshen") applied to the Commission for approval to adjust its rates for certain non-recurring charges. On October 28, 1994, Goshen filed a letter, which the Commission will treat as a motion, requesting a deviation from the requirements of 807 KAR 5:011, Section 8(2) and 8(3)(c), regarding public notice.

Section 8(2) requires that the public notice show the estimated increase over previous rates, and Section 8(3)(c) requires that the notice state that intervenors may obtain copies of the application and testimony by contacting the utility's office. Goshen states in its motion that the word testimony in the notice language and the failure to list the actual increase over the previous rates were inadvertently omitted from the notice. Having reviewed Goshen's motion and being otherwise sufficiently advised, the Commission finds that due to the cost associated with republication of the notice Goshen's request for a deviation from 807 KAR 5:011, Section 8(2) and 8(3)(c), should be granted.

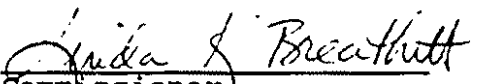

IT IS THEREFORE ORDERED that Goshen's request for a deviation from the requirements of 807 KAR 5:011, Section 8(2) and 8(3)(c), is granted.

Done at Frankfort, Kentucky, this 3rd day of November, 1994.
