

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS	)	
ADJUSTMENT FILING OF LOUISVILLE	)	CASE NO. 90-158-S
GAS AND ELECTRIC COMPANY	)	

O R D E R

On December 21, 1990, in Case No. 90-158 the Commission approved certain adjusted rates for Louisville Gas and Electric Company ("LG&E") and provided for their further adjustment on a quarterly basis in accordance with its gas supply clause ("GSC").

On June 30, 1995, LG&E filed its GSC to be effective from August 1, 1995 through October 31, 1995.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. LG&E's notice proposed revised rates designed to pass on expected decreased wholesale gas costs to its customers. LG&E's proposed expected gas supply cost is 27.143 cents per 100 cubic feet, or \$2.7143 per Mcf.

2. LG&E has current quarter supplier refunds of \$1,036,703, including interest, to return to its customers. LG&E proposed current refund factors of 2.27 cents per Mcf for sales customers and 2.08 cents per Mcf for transportation customers. The total refund factor for sales customers of 15.68 cents per Mcf reflects adjustments from previous quarters. The total refund factor for transportation customers is 14.25 cents per Mcf.

3. LG&E's notice set out a current quarter actual adjustment of 2.72 cents per Mcf to collect under-recovered gas cost from February, March, and April 1995. The proposed total actual adjustment of (17.27) cents per Mcf reflects the current under-recovery as well as under- and over-collections from three previous quarters.

4. LG&E's notice set out a balance adjustment of (2.40) cents per Mcf to return remaining over-collections from previous actual and balance adjustments.

5. These adjustments produce a gas supply cost component of 23.608 cents per 100 cubic feet or \$2.3608 per Mcf, 28.71 cents per Mcf less than the prior rate.

6. The rate adjustment in the Appendix to this Order is fair, just, and reasonable, in the public interest, and should be effective with gas supplied on and after August 1, 1995.

IT IS THEREFORE ORDERED that:

1. The rate in the Appendix to this Order is fair, just, and reasonable and is effective for gas supplied on and after August 1, 1995.

2. Within 30 days from the date of this Order, LG&E shall file with this Commission its revised tariffs setting out the rate authorized in this Order.

Done at Frankfort, Kentucky, this 1st day of August, 1995.
