O R D E R

Pursuant to Commission Regulation 807 KAR 5:056, the Commission on December 14, 1994 established this case to review and evaluate the operation of the Fuel Adjustment Clause ("FAC") of Jackson County Rural Electric Cooperative Corporation ("Jackson County") for the two years ended October 31, 1994.

As part of this review, the Commission ordered Jackson County to submit certain information and an affidavit attesting to its compliance with Commission Regulation 807 KAR 5:056. Jackson County has complied with this Order. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that:

1. Jackson County has complied in all material respects with the provisions of Commission Regulation 807 KAR 5:056.

2. East Kentucky Power Cooperative, Inc. ("EKPC"), the wholesale supplier of Jackson County, has been authorized to retain its present base fuel cost of 12.71 mills per KWH; therefore, no change is required to Jackson County's base fuel cost.

IT IS THEREFORE ORDERED that the charges and credits applied by Jackson County through the FAC for the period of November 1, 1992 through October 31, 1994 be and they hereby are approved.

Done at Frankfort, Kentucky, this 11th day of April, 1995.
