O R D E R

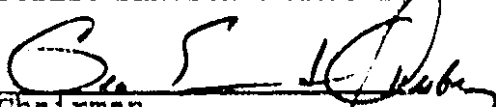

On April 18, 1995, Cumberland Cellular Telephone Company, Inc. ("Cumberland Cellular") filed a motion for dismissal of its application for authority to construct a cellular telecommunications facility off Harry Barry Lane at the Rogers Group Stone Quarry, Hopkinsville, Christian County, Kentucky.

Cumberland Cellular states that subsequent to the filing of this application an environmental evaluation of the proposed site was obtained and the results of that evaluation make it necessary to locate an alternate site. Based on the motion and being advised, the Commission finds good cause to allow the application to be dismissed.

IT IS THEREFORE ORDERED that Cumberland Cellular's motion is granted and this case is dismissed.

Done at Frankfort, Kentucky, this 24th day of April, 1995.
