O R D E R

On August 2, 1995, Northern Rockcastle Water Association, Inc. ("Northern Rockcastle") filed a proposed Settlement Agreement, a copy of which is attached hereto and incorporated herein as Appendix A. The Settlement Agreement expresses Staff and Northern Rockcastle's agreement on a mutually satisfactory resolution of the revenue requirement and rate design issues in this proceeding.

Staff and Northern Rockcastle agree that a revenue requirement of \$211,549 is sufficient to allow Northern Rockcastle to meet its operating expenses and service its new debt based upon a 1.1 Debt Service Coverage. Both further agree that Northern Rockcastle's present rate design should be modified to combine its last three rate increments into one.

After consideration of the Agreement, the record in this case, and being otherwise sufficiently advised, the Commission finds the provisions contained in the Settlement Agreement are supported by the evidence of record, are reasonable, and should be adopted as the findings of the Commission in this case.

Northern Rockcastle proposed in its initial application an increase in its connection fee for 5/8 x 3/4 inch residential meters from the present rate of \$375 to \$480 per connection. Northern Rockcastle filed adequate cost support to demonstrate the reasonableness of this charge and it should therefore be approved.

IT IS THEREFORE ORDERED that:

1. The Settlement Agreement is hereby adopted and approved in its entirety as a reasonable resolution to the revenue requirement and rate design issues in this proceeding. The rates as set forth in the Settlement Agreement are the fair, just and reasonable rates for Northern Rockcastle and are approved effective for service rendered on and after the date of this Order.

2. The rates in Appendix B and Northern Rockcastle's proposed connection fee are hereby approved effective on and after the date of this Order.

3. Within 30 days of the date of this Order, Northern Rockcastle shall file its revised tariffs setting out the rates contained in the Settlement Agreement and its revised connection fee as approved herein.
