O R D E R

This matter arising upon petition of Delta Natural Gas Company, Inc. ("Delta"), filed June 12, 1994, pursuant to 807 KAR 5:001, Section 7, for confidential protection of its response to the Commission's Order of May 24, 1995, on the grounds that disclosure of the information is likely to cause Delta competitive injury, and it appearing to this Commission as follows:

Delta has petitioned the Commission for confidential protection of its response to the Commission's Order of May 24, 1995. The petition is deficient in that an edited copy of the exhibit was not filed with the Commission.

807 KAR 5:001, Section 7, provides the procedure for obtaining confidential protection of information filed with the Commission. The regulation requires a petitioner seeking confidentiality to file an edited copy of the information with the confidential information obscured for inclusion in the public record. Delta has failed to comply with this provision of the regulation and its petition should be dismissed.

This Commission being otherwise sufficiently advised,

IT IS ORDERED:

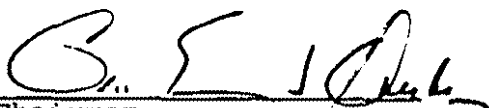

1. The petition to protect as confidential the information contained in Delta's response to the Commission's Order of May 24, 1995 is hereby dismissed.

2. The information sought to be protected shall be held and retained by this Commission as confidential and shall not be open for public inspection for a period of 20 days from the date of this Order to allow Delta to file a petition in accordance with the regulation.

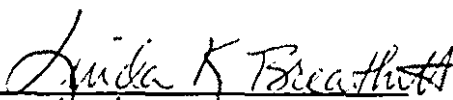

3. If, at the expiration of the 20-day period, Delta has not filed a petition in accordance with the regulation, the information sought to be protected shall be placed in the public record without further Orders herein.
