

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF KENTUCKY RSA #9-10, INC. FOR A)	
CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY)	CASE NO.
TO CONSTRUCT A CELL SITE OFF HIGHWAY 89, WEST OF)	95-118
MCKEE, JACKSON COUNTY, KENTUCKY)	

O R D E R

On April 17, 1995, Kentucky RSA #9-10, Inc. filed an application seeking a Certificate of Public Convenience and Necessity to build and operate a cellular radio telecommunications system for Rural Service Area No. 10 ("RSA No. 10"). RSA No. 10 includes Breathitt, Estill, Jackson, Knott, Lee, Letcher, Owsley, Perry, Powell and Wolfe counties. Kentucky RSA #9-10, Inc. has requested authorization to construct a cell site in Jackson County. Kentucky RSA #9-10, Inc. was previously granted authority to operate a cellular radio telecommunications system in RSA No. 10 in Case No. 94-385.¹

The proposed cell site consists of a 300-foot or less guyed antenna tower to be located off Highway 89, approximately .35

¹ Case No. 94-385, The Joint Application of Telephone and Data Systems, Inc., Kentucky RSA #9-10, Inc. and Alpha Cellular Telephone Company For Approval of the Acquisition by Telephone and Data Systems, Inc. of Those Assets of Alpha Cellular Telephone Company Constituting the Non-Wireline Cellular Operations in Kentucky Rural Service Areas 9 and 10, the Transfer of Such Assets to Kentucky RSA 9-10, Inc. and Establishment of Initial Tariffs Describing Conditions of Service.

aeronautical miles west of McKee, Jackson County, Kentucky ("the Jackson cell site"). The coordinates for the Jackson cell site are North Latitude 37° 25' 59.3" by West Longitude 84° 00' 11.7".

Kentucky RSA #9-10, Inc. has provided information regarding the structure of the tower, safety measures, and antenna design criteria for the Jackson cell site. Based upon the application, the design of the tower and foundation appears to meet the criteria of the Building Officials and Code Administrators International, Inc. National Building Code with reference to earthquakes, winds, and tornadoes.

Pursuant to KRS 100.324(1), the Jackson cell site's construction is exempt from local zoning ordinances; however, Kentucky RSA #9-10 notified the Jackson County Judge/Executive of the pending construction. Kentucky RSA #9-10, Inc. has filed applications with the Federal Aviation Administration ("FAA") and the Kentucky Airport Zoning Commission ("KAZC") seeking approval for the construction and operation of the Jackson cell site. Both applications are still pending.

Kentucky RSA #9-10, Inc. has filed notices verifying that each person who owns property or who resides within 500 feet of the Jackson cell site has been notified of the pending construction. The notice solicited any comments and informed the property owners or residents of their right to intervene. To date, no intervention requests have been received.

Pursuant to KRS 278.280, the Commission is required to determine proper practices to be observed when it finds, upon

complaint or on its own motion, that the facilities of any utility subject to its jurisdiction are unreasonable, unsafe, improper, or insufficient. To assist the Commission in its efforts to comply with this mandate, Kentucky RSA #9-10, Inc. should notify the Commission if it does not use this antenna tower to provide cellular radio telecommunications services in the manner set out in its application and this Order. Upon receipt of such notice, the Commission may, on its own motion, institute proceedings to consider the proper practices, including removal of the unused antenna tower, which should be observed by Kentucky RSA #9-10, Inc.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that Kentucky RSA #9-10, Inc. should be granted a Certificate of Public Convenience and Necessity to construct and operate the Jackson cell site in RSA No. 10 under its previously approved tariff.

IT IS THEREFORE ORDERED that:

1. Kentucky RSA #9-10, Inc. be and it hereby is granted a Certificate of Public Convenience and Necessity to construct and operate the Jackson cell site.

2. Kentucky RSA #9-10, Inc. shall file a copy of the final decisions regarding the pending FAA and KAZC applications for this cell site construction within 10 days of receiving these decisions.

3. Kentucky RSA #9-10, Inc. shall immediately notify the Commission in writing, if, after the antenna tower is built and utility service is commenced, the tower is not used for a period of 3 months in the manner authorized by this Order.

Done at Frankfort, Kentucky, this 11th day of May, 1995.
