

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF NETEL, INC. TO OPERATE AS A	)	CASE NO.
RESELLER OF INTEREXCHANGE TELECOMMUNICATIONS	)	95-233
SERVICES WITHIN THE COMMONWEALTH OF KENTUCKY	)	

O R D E R

On June 16, 1995, NeTel, Inc. ("NeTel") filed its application with the Commission seeking a Certificate of Public Convenience and Necessity to provide intrastate, long-distance telecommunications services as a reseller within the Commonwealth of Kentucky.

NeTel is a Delaware corporation proposing to resell the services of carriers currently certified within the Commonwealth of Kentucky in accordance with the terms and conditions set forth in its tariff. NeTel does not seek authority to provide operator-assisted telecommunications services.

NeTel employs no intrastate transmission or reception telecommunications equipment or facilities in the performance of its services, and all intrastate facilities, equipment, and networking will be provided by the underlying carrier. NeTel will not construct any new facilities in the Commonwealth of Kentucky.

The information provided by NeTel demonstrates its financial, managerial, and technical capability to provide intrastate, long-distance telecommunications service. The proposed rates filed June 16, 1995 should be approved as the fair, just and reasonable rates to be charged.

In Administrative Case No. 306,<sup>1</sup> the Commission stated the importance of eliminating possible customer confusion arising from the name of the billing service, rather than the name of the provider of telecommunications services, appearing on the bill. Accordingly, NeTel should ensure that its name appears prominently on all bills issued to customers for services rendered.

The Commission, having considered the application, the information provided by NeTel, and being otherwise sufficiently advised, HEREBY ORDERS that:

1. NeTel be and it hereby is granted authority to provide intrastate, long-distance telecommunications services within the Commonwealth of Kentucky on and after the date of this Order.

2. NeTel shall comply with the provisions of the Orders in Administrative Case No. 323.<sup>2</sup>

3. NeTel shall ensure that its name appears prominently on all bills issued to customers for services rendered.

4. NeTel's authority to provide service in this Commonwealth is strictly limited to those services described in this Order and in NeTel's application.

5. The rates and charges proposed by NeTel are hereby approved as filed on June 16, 1995.

6. Within 30 days from the date of this Order, NeTel shall file its tariff sheets in accordance with 807 KAR 5:011.
