O R D E R

On October 30, 1995, the Commission established this proceeding to investigate alternatives to the current method of providing Telecommunications Relay Service ("TRS") for Kentucky. TRS was originally established for Kentucky in Administrative Case No. 333.¹

In 1991, AT&T was awarded a contract for the provision of TRS in Kentucky. Pursuant to the contract with AT&T at Section 5.7(c), the Commission has the option to renew the contract 120 days prior to its termination. The Commission exercised this option and renewed the contract for 90 days by Order dated January 23, 1996 to allow adequate time to issue a draft RFP, receive comments from parties, issue a formal RFP, and select a vender. It has become apparent that the Commission will need to renew the AT&T contract for approximately 60 additional days to, and including, September 2, 1996.

¹ Administrative Case No. 333, Establishment of Telecommunications Relay Service for Individuals With Hearing and Speech Disabilities in Kentucky.

An informal conference was held November 20, 1995 to discuss alternatives for TRS and a funding mechanism for TRS and for the telecommunications devices for the deaf ("TDD") distribution program established in Administrative Case No. 352.²

The Commission provided opportunity for all persons to file written comments regarding proposed alternatives for a TRS vendor and alternatives for a funding mechanism. These comments have been filed and extensively reviewed by the Commission.

The attached formal RFP incorporates those comments that the Commission believed would be helpful and appropriate for the provision of TRS in Kentucky for the next two years. The Commission, however, will continue to consider options of changing the funding process to require all telecommunications providers in Kentucky to contribute to the fund. This funding will be addressed by future Order in this proceeding.

The Kentucky Commission on the Deaf and Hard-of-Hearing has requested that video relay interpreting be added to the TRS contract on a trial basis in the second year. However, there is insufficient information in the record regarding the cost of video relay and the need in Kentucky for this service. The Commission will review these issues and trials from other states at the expiration of the contract resulting from this RFP.

² Administrative Case No. 352, Establishment of TDD Distribution Program for Deaf, Hard-of-Hearing and Speech-Impaired Persons in Kentucky.

The Commission initially intended to conduct a public hearing on the draft RFP, however, the comments received appear to have given adequate opportunity for persons to participate in recommending changes to the RFP. The Commission incorporated many of these changes. Additionally, no person requested a hearing or stated that additional time was necessary to comment on the draft RFP. Accordingly no public hearing will be held on this issue.

IT IS THEREFORE ORDERED that:

1. The RFP, attached hereto and incorporated herein as Appendix A, constitutes the Commission's formal request for proposals for the provision of TRS.

2. The contract with AT&T for TRS is hereby extended for approximately 60 additional days to, and including September 2, 1996.

3. All telecommunications carriers desiring to be considered as TRS provider for Kentucky shall submit proposals in compliance with the RFP no later than 4:30 p.m., Eastern Daylight Time, June 14, 1996.

Done at Frankfort, Kentucky, this 15th day of May, 1996.

Availability of funds will be determined at the sole discretion of the Commission provided, however, that (i) funds are not appropriated and are not otherwise available for the acquisition of services which are the same as or similar to those provided under this Agreement; (ii) such non-appropriation or unavailability of funds has not resulted from any act or failure to act of the Commission; and (iii) the Commission has exhausted all funds legally available for payment under the Agreement and no other legal procedure exists for making payment under the contract.
- D. TERMINATION FOR CONVENIENCE - The Commission shall be authorized to terminate for its own convenience all contracts for the procurement of supplies and services when the Commission has determined that such terminations will be in the public interest provided, however, that in no event shall such termination be on less than 120 days written notice. When it has been determined that a contract should be terminated for the convenience of the Commission, the Commission shall be authorized to negotiate a settlement with the vendor according to terms deemed just and equitable by the Commission. Payment of the sum agreed to in settlement of a contract terminated for convenience of the Commission shall be made from the same source of funds or account as the original contract.

In which case the Commonwealth shall have the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders with the approval or ratification of the Contracting Officer, settle all outstanding liabilities and all claims arising out of such termination of orders the cost of which would be reimbursable to the vendor in whole or in part, in accordance with the provision of the contract.

However, if the Commission determines that the facts justify such action, it may receive and act upon any such termination claim at any time after such six (6) month period or any extension thereof. Upon failure of the vendor to submit its termination claim within the time allowed, the Commission may, subject to any review required by the Commonwealth procedures in effect as of the date of execution of the contract, determine, on the basis of information available to it, the amount, if any, due to the

The contract shall be amended accordingly.

In the event of the failure of the vendor and the Commission to agree in whole or in part as to the amounts with respect to costs to be paid to the vendor in connection with the total or partial termination of work pursuant to this RFP, the Commission shall determine on the basis of information available the amount, if any, due to the vendor by reason of termination and shall pay to the vendor the amount so determined.

The vendor shall have the right of appeal, as stated under Disputes from any such determination made by the Commission.

- 5.10 CONTRACTOR PERSONNEL - Personnel commitments identified in the vendor's proposal shall be considered mandatory to the work to be performed under this RFP. During the course of the contract, the Commission reserves the right to require the vendor to reassign or otherwise remove any vendor employees found not qualified or otherwise unacceptable by the Commission.
- 5.11 CHANGES IN SCOPE - The Commission may, at any time by a written order, make changes within the general scope of the contract. No changes in scope are to be conducted except at the approval of the Commission. In addition, vendor is permitted to make any change in scope or otherwise as may be required by law, including rules or regulations issued by the Federal Communications Commission in implementing the Americans with Disabilities Act of 1990. If any such change causes an increase or decrease in the cost of, or the time required for, the performance of any part of the work under contract, whether changed or not changed by any such order, a mutually satisfactory adjustment shall be made in the contract and shall be modified in writing accordingly.
- 5.12 FORCE MAJEURE - The vendor shall not be liable for any loss, cost, damage, expense or delay caused by or due to events beyond its reasonable control and without its fault or negligence. Such causes may include, but are not restricted

For any portions of proposals which applicants wish to maintain confidentiality, applicants shall note clearly which narrative sections or analyses are requested to be kept confidential. For each requested instance of confidentiality, the applicant must cite the appropriate exception from the Kentucky Open Records Act (KRS 61.878), and applicant shall state why the sections meet the exceptions of the Kentucky Open Records Act. Such explanation should be presented in a sworn affidavit attached to the RFP.

5.15 CONFIDENTIALITY OF CONTRACT TERMS - The vendor and the Commission agree that all information communicated between them before the effective date of the agreement shall be received in strict confidence, shall not be disclosed by the receiving party, its agents, or employees without prior written consent of the other party. Such material will be kept confidential subject to Commonwealth and federal disclosure laws.

5.16 PRIME CONTRACTOR RESPONSIBILITY - Any contracts that may result from the RFP shall specify that the prime vendor is solely responsible for fulfillment of the contract with the Commission, whether services are provided by the prime vendor or by a subcontractor specifically identified in the proposal.

The prime vendor and any proposed subcontractors shall be designated in the proposal.

- 5.17 CONTRACTOR AFFILIATION - If any affiliate (as hereinafter defined) of the vendor shall take any action which, if done by the vendor, would constitute a breach of this agreement, the same shall be deemed a breach by such party with like legal effect. - 5.18 ASSIGNMENT - Except with respect to an affiliate (as defined in above) the vendor shall not assign the contract in whole or in part or any payment arising therefrom without the prior written consent of the Commission. Any purported assignment is void.

 - C. Any failure of the vendor, its officers or employees to observe Kentucky laws, including but not limited to labor laws and minimum wage laws.
- 5.20 PERMITS, LICENSES, TAXES AND COMMONWEALTH REGISTRATION - The vendor shall procure all necessary permits and licenses and abide by all applicable laws, regulations and ordinances of all federal, state and local governments in which work under this contract is performed.

The vendor shall pay any sales, use of personal property taxes arising out of this contract and the transaction contemplated hereby. Any other taxes levied upon this contract, the transaction, or the equipment or services delivered pursuant hereto shall be borne by the vendor.
