

COMMONWEALTH OF KENTUCKY

BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS     )  
ADJUSTMENT FILING OF THE         )  
UNION LIGHT, HEAT AND POWER     )     CASE NO. 92-346-K  
COMPANY                             )

O R D E R

On August 31, 1993, in Case No. 92-346, the Commission approved certain adjusted rates for The Union Light, Heat and Power Company ("ULH&P") and provided for their further adjustment on a quarterly basis in accordance with its approved cost adjustment ("GCA") clause.

On May 1, 1996, ULH&P filed its GCA to be effective May 31, 1996 through August 31, 1996.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. ULH&P's notice of May 1, 1996 proposed revised rates designed to pass on to its customers its wholesale decrease in gas costs. ULH&P's proposed expected gas cost ("EGC") of \$3.401 per Mcf includes a take-or-pay recovery component of 0 cents per Mcf.

2. ULH&P's notice of May 1, 1996 set out a current quarter refund adjustment of 2.2 cents per Mcf to return refunds of \$254,188, including interest, to its customers. The total refund adjustment of 11.6 cents per Mcf is composed of the current adjustment and previous quarter adjustments.

3. ULH&P's notice of May 1, 1996 set out a current quarter actual adjustment of (10.8) cents per Mcf to return over-recovered gas cost from December 1995 and January and February 1996. The proposed total actual adjustment of 16.4 cents per Mcf reflects the current over-collection, as well as under- and over-collections from three previous quarters.

4. ULH&P's notice of May 1, 1996 set out a current quarter balancing adjustment of (1.3) cents per Mcf to reconcile variances from previous actual, refund, and balance adjustments. The total balance adjustment of (14.6) cents per Mcf reflects the current, as well as the three previous, balance adjustments.

5. ULH&P proposed a Firm Standby Rate of \$1.719 per Mcf and an Interruptible Standby Rate of 64.4 cents per Mcf.

6. The combined effect of the above adjustments is ULH&P's gas cost recovery rate ("GCR") of \$3.303 per Mcf, 12.30 cents per Mcf more than the previously authorized rate.

7. ULH&P's adjustment in rates contained in the Appendix to this Order is fair, just, and reasonable, in the public interest, and should be approved effective with bills rendered on and after May 31, 1996.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are authorized to be effective with bills rendered on and after May 31, 1996.

2. Within 30 days of the date of this Order, ULH&P shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 31st day of May, 1996.
