

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS     )  
ADJUSTMENT FILING OF WESTERN    )     CASE NO. 95-010-I  
KENTUCKY GAS COMPANY             )

O R D E R

On September 29, 1995, in Case No. 95-010, the Commission approved adjusted rates for Western Kentucky Gas Company ("Western"), with their further adjustment to be made in accordance with the monthly gas cost adjustment ("GCA") approved in the final Order in Case No. 92-558.<sup>1</sup>

On May 1, 1996, Western filed its monthly GCA to be effective from June 1, 1996 to July 1, 1996.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Western's notice proposed revised rates designed to pass on to its firm sales customers an expected wholesale decrease in gas costs. Western's expected gas cost ("EGC") for firm sales customers is \$3.6486 per Mcf and \$3.0140 for high load factor ("HLF") firm customers.

---

<sup>1</sup> Case No. 92-558, In the Matter of Limited Rate Change of Western Kentucky Gas Company. Order dated February 15, 1995.

Western also proposed to pass on to its interruptible customers a wholesale decrease in gas costs. Western's proposed EGC for interruptible sales customers is \$3.0140 per Mcf.

2. Western has current supplier refunds of \$2,149,745, including interest, to return to its customers. The current refund factors for sales customers are 7.84 cents per Mcf for firm and 3.11 cents per Mcf for interruptible. Total refund factors of 16.89 cents per Mcf for firm sales customers and 9.80 cents per Mcf for interruptible customers reflect the current factors, as well as adjustments from previous months.

Western's notice likewise set out current refund adjustments for transportation customers of 6.50 cents per Mcf for firm and 1.77 cents per Mcf for interruptible transportation service. Total refund adjustments of 9.59 cents for T-2 firm and 2.50 cents per Mcf for T-2 interruptible transportation customers reflect previous month adjustments.

3. Western's notice set out the 6-month correction factor ("CF") of (12.10) cents per Mcf which will remain in effect until October 1, 1996. The CF is designed to recoup net over-collections of gas cost from the 6-month period ending December 31, 1995.

4. These adjustments produce gas cost adjustments of (\$.0744) per Mcf for firm sales customers, \$.0728 per Mcf for HLF customers, and \$.1437 per Mcf for interruptible sales customers.

5. The rate adjustments in the Appendix to this Order are fair, just, and reasonable, in the public interest, and should be effective for final meter readings on and after June 1, 1996.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix to this Order are fair, just, and reasonable and are approved effective for final meter readings on and after June 1, 1996.

2. Within 30 days of the date of this Order, Western shall file with the Commission its revised tariffs setting out the rates authorized in this Order.

Done at Frankfort, Kentucky, this 31st day of May, 1996.
