O R D E R

On February 5, 1996, Edmonson County Water District ("Edmonson Water") applied to the Commission for authority to issue certain securities in the approximate principal amount of \$1,620,000.00 for the purpose of refunding certain outstanding waterworks revenue bonds and a note. In its filing, Edmonson Water requested permission to deviate from the requirements of 807 KAR 5:001, Section 11(1)(b).

807 KAR 5:001, Section 11(1)(b), requires the submission of the amount of bonds or notes proposed and whether the debt is to be secured and if so a description of how it is secured. Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the information filed therein is sufficient to enable the Commission to review adequately Edmonson Water's filing. Therefore, its request for permission to deviate from the above-cited regulation should be granted.

IT IS THEREFORE ORDERED that Edmonson Water's request for permission to deviate from the requirements of 807 KAR 5:001, Section 11(1)(b), is hereby granted.

Done at Frankfort, Kentucky, this 14th day of February, 1996.
