

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

MONTGOMERY COUNTY WATER DISTRICT'S)
APPLICATION TO INCREASE ITS) CASE NO. 96-164
NONRECURRING CHARGES)

O R D E R

On April 18, 1996, Montgomery County Water District ("Montgomery County") applied for authority to increase the following: reconnect charge of \$10 to \$25, meter test charge of \$25 to \$40, returned check fee of \$5 to \$10, 5/8-inch meter connection fee of \$400 to \$600, 1-inch meter connection fee of \$435 to \$625, and to create a meter re-read charge of \$10.

Montgomery County has provided adequate evidence that an increase in its nonrecurring charges is justified.

After reviewing the record and being sufficiently advised, the Commission finds that:

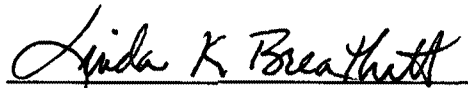

1. The proposed charges are equal to the expenses incurred to provide the associated service.
2. The charges set forth in Appendix A of this Order are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The charges contained in Appendix A are approved for services rendered by Montgomery County on and after the date of this Order.
2. Within 30 day of the date of this Order, Montgomery County shall file with the Commission its revised tariff setting out the charges approved herein.

Done at Frankfort, Kentucky, this 12th day of July, 1996.
