I am writing concerning  
the construction in this  
particular case # 96-240.

My husband and I are  
very strongly opposed to this.  
It would be looking at this  
ugly thing right out our front  
door. We also feel that it  
will lower property values in  
our area and are very concerned  
with other problems it may  
cause.

We would like to request that  
it be moved to another area  
where it isn't so visible.
