O R D E R

On September 24, 1996, WirelessCo, L.P., filed an amendment to its application ["Amendment"] stating that it now proposes to build a personal communications facility at 513 Brooks Lane in Simpsonville, Shelby County, Kentucky. The application states that the proposed facility "will consist of a 150' monopole, with attached antennas extending upward for a total height of 165" [Amendment at 2]. However, the notices sent on September 6, 1996, to persons who own property or reside within a 500-foot radius of the proposed facility, see Exhibit J to Amendment, inaccurately state that the proposed facility "will include a monopole, with attached antennas extending upward for a total height of 150'."

IT IS THEREFORE ORDERED that:

1. WirelessCo, L.P. shall, within 10 days of the date of this Order, send to those who received the September 6, 1996 letter a statement correcting the error in reference to the Brooks Lane site and accurately describing the height of the proposed facility.

2. WirelessCo, L.P. shall, within 10 days of the date of this Order, file with the Commission copies of the statements sent pursuant to this Order.

Done at Frankfort, Kentucky, this 11th day of October, 1996.
