O R D E R

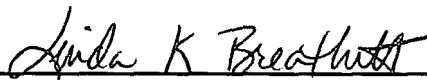

In response to the Commission's June 27, 1996 Satisfy or Answer Order, on July 8, 1996, BellSouth Telecommunications, Inc. ("BellSouth") filed its answer and motion to dismiss as satisfied. As the basis for its motion to dismiss, BellSouth stated that Mr. Rhodus' telephone service has been restored with appropriate blocking arrangements. By Order dated July 30, 1996, the Commission directed Mr. Rhodus to advise the Commission within 10 days whether the matters which are in dispute in this complaint had been satisfactorily resolved. The Order further stated that BellSouth's motion to dismiss would be granted if Mr. Rhodus failed to respond. To date, Mr. Rhodus has not filed a response with the Commission. His complaint is therefore deemed to be satisfied.

Based on BellSouth's satisfaction of the complaint, the Commission finds good cause exists to grant BellSouth's motion to dismiss.

IT IS THEREFORE ORDERED that BellSouth's motion to dismiss is granted and this case is dismissed with prejudice.

Done at Frankfort, Kentucky, this 6th day of September, 1996.
