O R D E R

GTE Mobilnet Incorporated ("GTE Mobilnet") has moved to dismiss its application for authority to construct a personal communication services facility at 317 Buttermilk Pike, Fort Mitchell, Kenton County, Kentucky. As grounds for its motion, GTE Mobilnet states that it has reached an agreement to collocate on a communications tower to be constructed and operated by AT&T Wireless PCS, Inc. in close proximity to its proposed site.

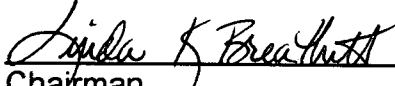

Based on the motion and being otherwise sufficiently advised, the Commission finds good cause exists to allow the application to be withdrawn. The Commission further finds that its October 25, 1996 Order directing GTE Mobilnet to respond to Helen Litzler's concerns regarding this site is inapposite and should be vacated.

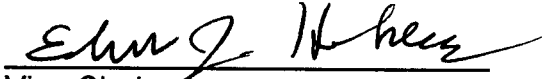

IT IS THEREFORE ORDERED that:

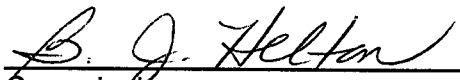

1. GTE Mobilnet's motion to dismiss is granted and this proceeding is removed from the Commission's docket.
2. The Order of October 25, 1996 directing GTE Mobilnet to respond to Helen Litzler's concerns regarding the above-referenced site is hereby vacated.

Done at Frankfort, Kentucky, this 4th day of November, 1996.
