Re: *Case No: 96-428*

Dear Sir or Madam:

I am writing this letter on behalf of my father, Dr. James D. Adams, who is one of the D. Adams heirs. He has provided me with a copy of the letter dated September 9, 1996, from United States Cellular, regarding a radio tower to be located on property owned by Keith Muncy.

It appears that such a tower may, in fact, reduce the value of the adjacent properties. Therefore, at present, Dr. Adams would like to express an objection to its location. However, he would greatly appreciate additional information, including specifications for the proposed tower. Any information you could provide me would be greatly appreciated.

If I can be of service, please do not hesitate to contact me.

Sincerely,

James D. Adams, II
