Re. Case No. 96-513

Dear Mr. Mills,

The purpose of this letter is to inform you that I am strictly against the proposed communications tower that would have been erected on the property of Jimmie Schweitzer.

West John's Hill Road is a quiet residential area. I would like to keep it that way. Residential. From my property I have a nice view of Northern Kentucky University. If the tower were erected it would most certainly spoil that view. I also do not wish to have a monstrosity leering over my property. If constructed, the tower would have a negative impact on the quality of my life.

I also feel the tower would detract from my property in both value and charm.

I understand there were other suitable locations for this project. I would respectfully request that they be reconsidered.

Sincerely,

Todd A. Schweitzer

Dear Mr. Mills,

Your Personal Communications Service Network
Facility at Site #02-030-03 is in the
middle of a residential area. Being a
tremendous eye sore this facility will no
doubt negatively impact the immediate area
property values. Let it be known that
we are strongly against the erection of
said facility and stand prepared to fight
against it with any and all legal means at
our disposal.

Most Sincerely
Tom & Angela Jacob

PUBLIC NOTICE

MAILED TO LANDOWNERS AND LOCAL PLANNING UNIT

On October 29, 1996, AT&T Wireless PCS, Inc. applied to the Public Service Commission of Kentucky for a Certificate of Public Convenience and Necessity to construct a Personal Communications Services Network Facility in Wilder, Kentucky and called the Schweitzer Site, Site #02-030-03. The facility will include a 185-foot monopole tower to be located at 621 Old West Johns Hill Road, Wilder, Kentucky 41076. A map showing the location of the proposed new facility is enclosed.

This notice is being sent to you because you either own property or reside on property that is located within a 500-foot radius of the proposed tower.

The Public Service Commission invites your comments regarding the proposed construction by AT&T Wireless. Also, the Commission wants you to be aware of your right to intervene in this matter. That right must be exercised within 20 days of the date you receive this notice. Your comments and requests for intervention should be addressed to:

Don Mills
Executive Director

RE: CASE NO. 96-513

DEAR MR. MILLS:

IN REFERENCE TO THE CERTIFIED LETTER I RECEIVED LAST WEEK, I WANT TO GO ON RECORD AS SAYING WE DO NOT WANT THE TOWER THAT CLOSE TO OUR HOME!!!

THERE ARE MANY SMALL CHILDREN IN OUR AREA AND LOTS OF ANIMALS. IT SEEMS THERE ISN'T ENOUGH INFORMATION AVAILABLE TO HELP US MAKE AN INTELLEAGENT DECISION ON THIS MATTER. I HAVE CHECKED AROUND AND HAVE HAD CONFLICTING REPORTS AS TO THE POTENTIAL DANGERS THIS TOWER MAY IMPOSE IN THE FUTURE.

HAVING LIVED IN CAMPBELL COUNTY ALL MY LIFE, I KNOW THERE ARE MANY OTHER SITES THAT THIS TOWER COULD BE CONSTRUCTED WITH OUT ANY DANGERS TO HUMANS ETC.....PERHAPS ANOTHER STUDY COULD BE MADE....EVEN IN OUR GENERAL AREA THERE ARE MANY AREAS THE MONOPOLE COULD BE PLACED.

THANKING YOU IN ADVANCE,

Re: Case No. 96-513
AT&T Wireless PSC, Inc.

Dear Mr. Mills:

On December 5, 1996 Northern Kentucky University received notice that AT&T Wireless PSC, Inc. has applied for a Certificate of Public Convenience and Necessity to construct a Personal Communications Services Network Facility in Wilder, Kentucky adjacent to the campus of the University. By this letter Northern Kentucky University gives notice of its intention to intervene in this matter.

Northern Kentucky University operates a number of technologies from its campus and would need assurance that the proposed monopole tower would not interfere in any way with the functions of those technologies which include:

- Satellite downlinks
- C Band
- KU Band
 - Analog
 - Digital
- KEWS Network
- Microwave uplink
- RF 5,9,12,19,48,54
- Cable TV Bandwidth
- 4 Subchannel modulators
- WNKU and WRFM
- Wireless Communications

With assurance that the proposed monopole tower would not interfere in any way with the proper functioning of the above technologies, Northern Kentucky University would not object the construction of the tower and the operations of AT&T Wireless P.S.C.Inc.

Sincerely,

Elizabeth M. Blincoe

This matter arising upon the motion of Northern Kentucky University, filed December 16, 1996, for full intervention, and it appearing to the Commission that Northern Kentucky University has a special interest which is not otherwise adequately represented, and that such intervention is likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings, and this Commission being otherwise sufficiently advised,

IT IS HEREBY ORDERED that:

1. The motion of Northern Kentucky University to intervene is granted.
2. Northern Kentucky University shall be entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.
3. Should Northern Kentucky University file documents of any kind with the Commission in the course of these proceedings, it shall also serve a copy of said documents on all other parties of record.
