

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS )  
ADJUSTMENT FILING OF WESTERN )      CASE NO. 95-010-R  
KENTUCKY GAS COMPANY            )

O R D E R

On September 29, 1995, in Case No. 95-010, the Commission approved adjusted rates for Western Kentucky Gas Company ("Western"), with their further adjustment to be made in accordance with the monthly gas cost adjustment ("GCA") approved in the final Order in Case No. 92-558.<sup>1</sup>

On January 30, 1997, Western filed its monthly GCA to be effective from March 1, 1997 to April 1, 1997.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Western's notice proposed revised rates designed to pass on to its firm sales customers an expected wholesale decrease in gas costs. Western's expected gas cost ("EGC") for firm sales customers is \$3.6167 per Mcf and \$3.0222 for high load factor ("HLF") firm customers.

---

<sup>1</sup> Case No. 92-558, In the Matter of Limited Rate Change of Western Kentucky Gas Company. Order dated February 15, 1995.

Western also proposed to pass on to its interruptible customers a wholesale decrease in gas costs. Western's proposed EGC for interruptible sales customers is \$3.0222 per Mcf.

2. Western has no current supplier refunds to return to its customers. Total refund factors of 7.56 cents per Mcf for firm sales customers and 2.66 cents per Mcf for interruptible customers reflect adjustments from previous months.

Western likewise had no current refunds to return to transportation customers. Total refund adjustments of 6.73 cents for T-2 firm and 1.83 cents per Mcf for T-2 interruptible transportation customers reflect previous month adjustments.

3. Western's notice set out the 6-month correction factor ("CF") of (.34) cent per Mcf which will remain in effect until April 1, 1997. The CF is designed to return net over-collections of gas cost from the 6-month period ending June 30, 1996.

4. These adjustments produce gas cost adjustments of \$.1046 per Mcf for firm sales customers, (\$.4899) per Mcf for HLF customers, and \$.3409 per Mcf for interruptible sales customers.

5. The rate adjustments in the Appendix to this Order are fair, just, and reasonable, in the public interest, and should be effective for final meter readings on and after March 1, 1997.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix to this Order are fair, just, and reasonable and are approved effective for final meter readings on and after March 1, 1997.

2. Within 30 days of the date of this Order, Western shall file with the Commission its revised tariffs setting out the rates authorized in this Order.

Done at Frankfort, Kentucky, this 21st day of February, 1997.
