O R D E R

Pursuant to Commission Regulation 807 KAR 5:056, the Commission on November 14, 1996 established this case to review and evaluate the operation of the fuel adjustment clause ("FAC") of Berea College Electric Utility Department ("Berea") for the two years ended October 31, 1996.

As part of this review, the Commission ordered Berea to submit certain information and an affidavit attesting to its compliance with Commission Regulation 807 KAR 5:056. Berea has complied with this Order. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that Berea has properly calculated and applied its FAC charge.

IT IS THEREFORE ORDERED that the charges and credits applied by Berea through the FAC for the period November 1, 1994 through October 31, 1996 are approved.

Done at Frankfort, Kentucky, this 16th day of May, 1997.
