O R D E R

Pursuant to Commission Regulation 807 KAR 5:056, the Commission on July 14, 1997 established this case to review and evaluate the operation of the fuel adjustment clause ("FAC") of Salt River Electric Cooperative Corporation ("Salt River") for the 6 months ended April 30, 1997.

As part of this review, the Commission ordered Salt River to submit certain information concerning its compliance with Commission Regulation 807 KAR 5:056. Salt River has complied with this Order. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that Salt River has properly calculated and applied its FAC charge.

IT IS THEREFORE ORDERED that the charges and credits applied by Salt River through the FAC for the period November 1, 1996 through April 30, 1997 be and they hereby are approved.

Done at Frankfort, Kentucky, this 29th day of October, 1997.
