TO SECTIONS 251 AND 252 OF THE )  
TELECOMMUNICATIONS ACT OF 1996 )

O R D E R

On April 8, 1997, the Commission approved the interconnection agreement between BellSouth Telecommunications, Inc. ("BellSouth") and LCI International Telecom Corporation ("LCI"). On April 24, 1997, the parties filed an LIDB Storage Agreement and Addendum No. 1 for the LIDB Storage Agreement.

The Commission has reviewed the agreement and addendum and finds that no portion of the agreement or addendum discriminates against a telecommunications carrier not a party to the agreement. The Commission also finds that the implementation of this agreement and addendum is consistent with the public interest, convenience, and necessity.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that the negotiated agreement and addendum between BellSouth and LCI is approved.

Done at Frankfort, Kentucky, this 16th day of May, 1997.
