O R D E R

On March 11, 1997, the Commission entered its Order in Case No. 97-112 approving Mountain Water District's request to construct and finance a sewer project and to increase its sewer rates. Through inadvertence, the Order set out a sewer connection fee for a 5/8 x 3/4 inch meter of \$700 instead of the correct amount of \$750 set out in the Rural Development letter of conditions.

IT IS THEREFORE ORDERED, to be entered nunc pro tunc, that the Order entered March 11, 1997 be amended to substitute the corrected increased amount at Appendix A which is \$750 for a 5/8 x 3/4 inch connection.

Done at Frankfort, Kentucky, this 23rd day of September, 1997.
